- (e) Vendor meeting the qualification criteria as specified in the tender documents;

8.1. General Evaluation

- 1.** The Bank will examine the bids against *Bidder's Eligibility Criteria* mentioned in the RFP.
- 2.** The Bank will examine the bids to determine whether they are complete, whether any computational errors have been made, whether required sureties have been furnished, whether the documents have been properly signed, and whether the bids are generally in order.
- 3.** The Bank may waive any minor informality, nonconformity, or irregularity in a bid which does not constitute a material deviation, provided such waiver does not prejudice or affect the relative ranking of any other bidder.
- 4.** Prior to the detailed evaluation, the Bank will determine the substantial responsiveness of each bid against this RFP. For purposes of these clauses, a substantially responsive bid is one, which conforms to all the terms and conditions of the RFP without material deviations.
- 5.** During evaluation of the bids, the Bank may, at its discretion, ask the bidder for providing clarification on any point mentioned in its bid. The request for clarification and the response shall be in writing, and no change in the prices or substance of the bid shall be sought, offered, or permitted.
- 6.** Commercial bids of only those vendors will be opened, who are technically qualified and

fulfil all other requirements as enlisted in the RFP.

8.2 Commercial Evaluation, Indicative Prices & Reverse Auction

1. Commercial bids submitted will be opened only for those bidders, who have qualified in the general and technical evaluation.
2. The vendors are required to submit the **INDICATIVE PRICES** which will be considered for further evaluation through **REVERSE AUCTION**
3. The **LOWEST** prices arrived at in **REVERSE AUCTIONS** will be declared as L-1. However, the bank shall be under no obligation to accept the lowest or any other offer received in response to this notice, if the quality of the procuring item is not the same as required and shall be entitled for rejection of any or all the offers assigning reasons therefor.

2. The bank reserves its right for placing the orders as per requirement.

3. L1 & Matching/Empanelment of vendors:

Based on the unit-prices without buy back & net prices with buy back (net price = unit price

– buy back price) of each individual item, the vendors who have quoted low would be ranked in the order L1 (the lowest bidder), L2, L3, L4 etc. The orders will be distributed to the L1 vendor and other Vendors (i.e. L2, L3 only) also, based on their willingness to supply the said equipment at the rates quoted by L1, subject to furnishing a written matching letter to the Bank. If L2 or L3 doesn't give the Matching letter the next higher bidder will be considered (i.e., L4, L5 etc.). The Bank reserves the right to decide the maximum number of Regional Offices (areas) that can be allotted to a single vendor and also reserves the right in allocation of the regions to the vendors.

4. L1, L2 and L3 will be identified among the bidders/vendors who have participated and submitted at least a quote in the Reverse Auction. The reverse auction will be conducted **ITEM WISE** separately for all the items in the Financial Bid. For UPS and Inverters, the reverse auction will be conducted **as per** its capacity (3KVA/5KVA – **UPS** & 1/1.5/2KVA -**INVERTERS**) wise also. For list of items for reverse auction, kindly refer Annexure-T (Page-40).

9. AWARD NOTIFICATION

16. MODIFICATION AND WITHDRAWAL OF OFFER

The Vendors will not be allowed to modify their offer once submitted. However, the Vendors are allowed to withdraw their offers at any time before the last date and time specified for receipt of offers. No offer can be withdrawn by a Vendor after the last date and time specified for submission of offers.

17. PRELIMINARY SCRUTINY

Offers from Vendors not meeting the qualification criteria shall be rejected.

The Bank will scrutinize the offers received to determine whether they are complete and as per tender requirement, whether any errors have been made in the offer, whether technical documents as asked for

and required to evaluate the offer has been submitted, whether the documents have been properly signed and whether items are offered as per the tender requirements.

The Bank may, at its discretion, waive any minor non-conformity or any minor irregularity in the offer. This waiver shall be binding on all Vendors and the Bank reserves the right for such waivers.

18. L1 & Matching/Empanelment of vendors:

Based on the unit-prices without buy back & net prices with buy back (net price = unit price- buy back price) of each individual item, the vendors who have quoted low would be ranked in the order L1 (the lowest bidder), L2, L3, L4 etc. The orders will be distributed to the L1 vendor and other Vendors (i.e. L2, L3 only) also, based on their willingness to supply the said equipment at the rates quoted by L1, subject to furnishing a written matching letter to the Bank. If L2 or L3 doesn't give the Matching letter the next higher bidder will be considered (i.e., L4, L5 etc.). The Bank reserves the right to decide the maximum number of Regional Offices (areas) that can be allotted to a single vendor and also reserves the right in allocation of the regions to the vendors.

19. CLARIFICATION ON OFFERS

To assist in the scrutiny, evaluation and comparison of offers, the Bank may, at its discretion, ask some or all Vendors for clarifications on the offer made by them. The request for such clarifications and the Vendor response will necessarily be in writing/e-mail.

20. LOCATIONS OF INSTALLATION

The Head Office of the Bank is floating this tender for purchase of UPS, Inverters & Batteries which shall be installed and commissioned/supported by the Vendor at various locations of the Bank, is provided in **Annexure-C**. The Bank reserves the right to make changes in the locations/quantity list given to the Vendor.

21. SHORT-LISTING OF VENDORS

The Bank shall prepare a shortlist of technically qualified Vendors based on the technical evaluation of the offers received and the performance evaluation by Bank's Consultant. The Bank shall intimate the Vendors whose Offer is technically in line with the tender requirement.

22. RIGHT TO ALTER QUANTITIES & ISSUE OF PURCHASE ORDERS

The Bank reserves the right to alter the quantities specified by the Bank up to $\pm 30\%$ of the Tendered quantity while placing the order.

23. LIABILITIES OF THE BANK

This tender is not an offer by the Bank, but an invitation for Vendor responses. No contractual obligation on behalf of the Bank, whatsoever, shall arise from the tender process unless and until a formal contract is signed and executed by duly authorized officers of the Bank and the Vendor.

24. PROPOSAL PROCESS MANAGEMENT

The Bank reserves the right to accept or reject any/all proposal/ to revise the tender, to request one or more re-submissions or clarifications from one or more Vendors, or to cancel the process in part or whole. No Vendor is obligated to respond to or to continue to respond to the tender. Additionally, the Bank reserves the right to alter the requirements, in part or whole, during the tender process. Each party shall be entirely responsible for its own costs and expenses that are incurred while participating in the tender, subsequent presentation and contract negotiation processes.

TERMS & CONDITIONS

ANNEXURE-B

1. COMPLYING WITH CONFIGURATION

The indicated configuration has to be strictly adhered to and quotation submitted as per the formats given therein. Non-furnishing of any responses in the 'response sheet' of technical bid may result in disqualification of the tender. The Bank reserves the right to decide whether or not, to open one or all the covers of the vendor/to permit the vendor to participate in the reverse auction without assigning any reason what so ever.

In case the supply is not according to the order or if the components, if any, are found to be varying from the order in any respect, the vendor will undertake to replace at no extra cost to the bank, during the period of use after the warranty also.

2. VALIDITY OF OFFER

The offer shall be valid for a period of **ONE YEAR** from the date of awarding the contract / date of entering into the agreement.

3. NON-TRANSFERABLE OFFER

This tender document is not transferable. Only the Vendor, who has downloaded the tender document, is entitled to quote/participate.

4. PLACING OF ORDERS

The orders will be distributed to the L1 vendor and other Vendors (i.e. L2, L3 only) also, based on their willingness to supply the said equipment at the rates quoted by L1, subject to furnishing a written matching letter to the Bank. If L2 or L3 doesn't give the Matching letter the next higher bidder will be considered (i.e., L4, L5 etc.). The Bank reserves the right to decide the maximum number of Regional Offices that can be allotted to a single vendor. The Bank also reserves right in allocation of the regions to the vendors.

The Orders shall be placed with the vendor in a staggered manner as and when required and shall have to be supplied and installed / commissioned as per the terms & conditions specified here in this document.

5. OFFERS BY A THIRD-PARTY

The vendors are not permitted to authorize their dealers/distributor/stockiest etc., (including individuals and third party firms/companies) to either collect or submit the tender-related documents on their behalf. The Bank will summarily reject such requests and arrangements.

6. MATERIAL ALTERATIONS & AMBIGUOUS/UNQUANTIFIABLE COSTS

The offer should ensure that there are no cuttings, over-writing, and illegible or undecipherable figures to indicate their offer. All such cases may be disqualified on this score alone. The decision of the Bank is final and binding on the offerer. Kindly ensure that ambiguous or unquantifiable costs/amounts are not included in the offer, which would disqualify the offer.

7. TAXES/LEVIES/DUTIES

The quoted prices should be exclusive of GST but inclusive of all charges like packing/forwarding/freight/transit insurance, installation/commissioning etc., for the

equipment to be delivered, installed and commissioned at our specified site(s) **Annexure-C.**

8. DELIVERY PERIOD

The equipment (as per the specifications given) should be made ready for conducting the mandatory FAT (Factory Acceptance Test) within 2 (Two) weeks from the date of the LOI/PO. After the equipment is tested and accepted by the HO/CO Team at the factory, the same should be delivered within a week time thereafter to the Branches/sites of the Bank. **Finally, material should be supplied and installed in all the branches with in 4 (Four) Weeks from the date of Purchase Order.** Any delay will lead to cancellation of the LOI/PO itself and forfeiture of the EMD even though the FAT was successful and the equipment was approved by the testing Team.

9. WARRANTY

The warranty period shall expire 36/48 months from installation of UPS/Inverters and Batteries respectively, or 42/54 months from delivery, whichever is earlier. Date of installation of the ordered equipment will be decided by the Bank. The Warranty shall cover comprehensively all the UPS, Inverters, Batteries, Hardware and networking items and any software accompanying the Hardware and included in the cost thereof. The vendors should provide comprehensive and unconditional warranty to the goods they have supplied.

During Warranty period service support should be provided within 24 hours of lodging complaint. In case the rectification delayed or part needs to be taken to the vendors lab for repair, the vendor should provide standby equipment within 72 hours from the date of complaint. The standby items should be replaced with the originals or new items (of the same make & model of the contract) with in a week duration. In cases of the replacements with new devices (either UPS/Inverter/Batteries), the new items should be of the same make & model of the damaged items.

10. EARNEST MONEY DEPOSIT FORFEITURE – PENALTY FOR DELAYS

In order to eliminate delays in the delivery schedules & support during warranty period, it has been decided that Earnest Money Deposit (EMD) @ **Rs.1,00,000/-** will be collected from the vendors who willing to quote for supply of UPS, Inverters & Batteries. No request from Vendors either for waiving the EMD or for recovery/retention of the EMD amount against future payments due to them or additional time for submission of the EMD will be entertained. The EMD would be returned to all unsuccessful bidders normally within 30 days after placing PO/LOI on the selected Vendors. No correspondence will be entertained on this account and the Bank's decision will be final and binding on all vendors

Penalty for Delay in Supply: In case of delay in delivery beyond the period of 4 Weeks, a penalty of 1% of the total cost of undelivered quantities during the first week of delay and 2% for each week for delay beyond one week subject to a maximum of 5% be levied. Failure to supply the goods within 6 Weeks from the date of P.O may lead to forfeiture of EMD.

Penalty for Delay in Service during Warranty Period: In case of failure in repairing or replacing (with standby) the faulty item during the warranty period within 3 days, a penalty of 1% of the total cost of goods Item during the first week of delay and 2% for each week for delay beyond one week subject to a maximum of 5% be levied. Failure to replace the goods with new one within 3 Weeks from the date of complaint may lead to forfeiture of EMD.

Note: For the purpose of calculation of liquidated damages / penalty, part of a Week will be considered as full week.

11. The EMD/Bid Security may be forfeited

- a) If bidder withdraws its Bid during the period of Bid Validity
- b) In case of Successful Bidder fails to accept the Purchase Order
- c) If vendor doesn't supply the goods within 6 Weeks from date of releasing PO.
- d) In vendor doesn't replace the faulty item with new one within 3 Weeks from the date of complaint during Warranty Period.
- e) If vendor fails to comply any terms of RFP or Purchase Order

12. ENHANCEMENTS AT NO ADDITIONALCOST

The configuration given is the minimum configuration that is/are required. Vendors may choose to supply higher/better/enhanced system but their financial quotes shall be treated as if they have been offered for the specified configuration only.

13. SHORT-SHIPMENTS

No short-shipments are permitted. In the unlikely event of such short-shipments, the EMD would be forfeited automatically. Moreover, the vendors should invariably seek the written consent of the Bank, before dispatching the ordered equipment with some short-shipments. In the event of very important or critical equipment (in the view of the bank) getting short-shipped, no payment will be released till the short-shipped items are delivered (this is in addition to the forfeiture of the EMD).

14. COPYRIGHT/LICENSE VIOLATIONS & PROVISION OF LEGALCOPIES

Vendors shall explicitly absolve the Bank of any responsibility and indemnify the Bank against any liability for the use of system software, with regard to copyright/license violations, if any. Wherever the hardware is supplied with pre-loaded Operating System software, appropriate LTU (License -To-Use)/ Paper License with recovery media for each of the systems shall be provided free of cost. If at any time after proper installation of the required hardware components like computers, printers, scanners, UPS, Inverters, Batteries etc. or kits, it is discovered that the software or hardware installed or used is not genuine and that of counterfeited one, the contract entered into between the parties stands terminated and the vendor or supplier, as the case may be, will be made liable directly for the consequences of using such counterfeit software and hardware components or programs and the damages arising there from including remote damages. In cases of such discovery, the bank is discharged from making payments due to such vendor/ supplier in addition to forfeiting EMD and is at liberty to take necessary action as per the law.

15. DIVERSION OFEQUIPMENT

In the event of the Bank deciding to install the ordered equipment, either the entire lot or a part thereof, at a different location/Branch, the vendors will have to provide the documentation (invoices, delivery Challans etc.,) accordingly. The Bank may, at its own discretion, pay the cost of transportation, on actual basis, only if the entire lot was delivered at the designed branch before the diversion of equipment is intimated to the vendors.

16. TRAINING FOR BANK PERSONNEL

Vendors shall provide free training to the Bank's personnel at the site in the operating UPS & cleaning & maintaining the Batteries.

17. SERVICE SUPPORT ON SATURDAYS/SUNDAYS AND HOLIDAYS

During the entire warranty period it is incumbent on the vendors to provide complete and satisfactory technical support in the areas of installation of UPS & batteries. As most of these activities are carried out during holidays/Saturdays/Sundays, it is necessary for the engineers/technical support personnel from the vendor's side to work (along with then

technical staff/operating staff from the Bank's side) on these days as well, even though these may be holidays as per their service conditions. In addition to the 36/48 months (as the case may be) unconditional comprehensive warranty (42/54 months, as the case may be), the Bank may insist upon the selected vendors to assign one exclusive Engineer/Help Desk for a cluster/zone during the entire warranty period (or for that length of period as it may consider necessary) to ensure smooth implementation. All expenses incurred by the vendors in extending such support will be borne by the vendors only.

18. INSPECTION AT FACTORY LOCATION(FAT/PDI)

Vendors will intimate to the Bank the date of factory inspection, by which date the entire equipment should be kept ready for the Bank's inspection. The vendors have to ensure that all the equipment/components /peripherals (and all the sub-components thereof) are kept ready by the indicated date, failing which the EMD would be forfeited. Documentary evidence should be provided to the team to prove the validity of all such part numbers.

19. SITE ACCEPTANCE TEST (SAT) SCHEDULE

In addition to the above tests/procedures which would be repeated at the site after installation of **UPS, Inverters & Batteries**

20. PAYMENT TERMS

No advance amount will be paid along with the Purchase Order/Letter of Intent. 90 % Payment will be made only after installation, successful acceptance tests (As detailed elsewhere), upon production of Bank Guarantee (From any of the Nationalized Banks, other than APGVB) for 10% of the total project cost, valid for a period of 36/48 months (as the case may be) from the date of Installation or for a period of 42/54 (as the case may be) months from the date of delivery, whichever is earlier.

Payment for UPS/BATTERIES/INVERTERS purchased at the Branch/site shall be made as per the under noted schedule (No representation will be entertained for releasing Ad-hoc payments, of any nature):

- a. Advances Payment with LOI/PO : **NIL**
- b. Against delivery and installation reports : **90% of the total Cost**
- c. After completion of the warranty period : **10% of the total cost.**
or against production of Bank Guarantee before the end of the warranty period
or a Special Term Deposit of APGV Bank from any Branch. The fixed deposit receipt has to be duly discharged by the Vendor on the back side of the STDR and will be marked LIEN by the Branch concerned. A suitable undertaking letter will also be obtained apart from the usual lien undertaking letter.

21. ADDITIONAL INFORMATION

The following aspects will also be taken into consideration and given weightage while finalizing the tenders:

- a) Past experience, for the supplies already made to the Bank.
- b) Commitment for storing critical spares/components at the branches/sites specified during warranty

22. PRE- CONDITIONS BY VENDORS

Please note that any other terms and conditions whether implicitly or explicitly stated in any of the responses by the vendors will be ignored.

Vendors may approach Information Technology Department of Andhra Pradesh Grameena

Vikas Bank, Sangareddy for clarifications, if any, in this regard.

OTHER TERMS & CONDITIONS:

1. Indemnity

The Vendor shall indemnify, protect and save the Bank against all claims, losses, costs, damages, expenses, action suits and other proceedings, resulting from infringement of any patent, trademarks, copyrights etc. or such other statutory infringements in respect of all the Security System supplied by Vendor.

2. Limitation of Liability (Up to a maximum amount of 10% of order value)

The liability of the successful Vendor arising out of any penalty and/or damages (on account of non-performance or inadequate performance or deficiency of services or breach of contract), which are resulting from any actions and/or deficient services of the Vendor or its employees or agents or the Service Provider shall be liable up to an amount equivalent to 10% of the order value. However this limitation shall not be applicable for the damages / claims / costs / losses arising out of any infringement by the successful Vendor. The Vendor shall indemnify in full without any limitation, protect and save the Bank against all claims, losses, costs, damages, expenses, action suits and other proceedings resulting from infringement of any law pertaining to patent, trademarks, copyrights, etc., or such other statutory infringements in respect of all the UPS, Inverters, Batteries supplied and /or used by them for the purpose of fulfilling the contractual obligations or while rendering the necessary services specified in this tender/contract/scope of services.

3. Publicity

Any publicity by the Vendor in which the name of the Bank is to be used should be done only with the explicit written permission of the Bank.

4. Guarantee

Vendor should guarantee that the **UPS, Inverters & Batteries** delivered to the Bank are brand new, including all accessories. Only latest batch (not less than 3 months) goods should be supplied to the Bank. In the case of software, the Vendor should guarantee that the software supplied to the Bank is licensed and legally obtained. All the goods must be supplied with their original and complete printed documents.

5. Assurance

The Vendor should provide an assurance, by accepting the Order and by complying with same during execution, that the application /software/ other item that is being supplied is free of malware, free of any obvious bugs and free of any covert channels in the code of the version of the application, at the time of delivery of programs/codes/items as well during as any subsequent versions/modifications done to the supplied programs/codes.

6. Confidentiality

The Parties shall observe the strictest confidentiality in respect of all matters relating to the implementation of this tender. All the information under this tender will be treated as confidential and shall not be disclosed to any third party unless otherwise agreed by the non-disclosing party. Nothing in this tender shall however be deemed to prohibit disclosure of any confidential information required under law, under a court order or by any regulatory or governmental authority. The obligation to maintain secrecy shall survive the termination of the agreement.

7. Information Security

The Vendor shall represent and warrant that it has developed, implemented and will maintain effective information security policies and procedures that include administrative, technical and physical safeguards designed to (1) ensure the security and confidentiality of confidential information provided to the Vendor hereunder, (2) protect against anticipated threats or

hazards to the security or integrity of such confidential information; and (3) protect against unauthorized access or use of such confidential information. The Vendor represents and warrants that its collection, access, use, storage, disposal and disclosure of information does And will comply with all applicable privacy and data protection laws, as well as all other applicable regulations and directives.

The Vendor shall agree to notify the Bank within two (2) business days in writing of any discovery by the Vendor of any breach or suspected breach of the provisions of this Tender or any loss or unauthorized use, disclosure, acquisition of or access to any Bank's Confidential Information and/or bank's business systems of which the Vendor becomes aware. The Vendor shall promptly take all appropriate or legally required corrective actions, and shall cooperate fully with Bank in all reasonable and lawful efforts to prevent, mitigate or rectify such Data Breach.

8. Force Majeure

The parties shall not be liable for default or non-performance of the obligations under the contract, if such default or non-performance of the obligations under this contract is caused by any reason or circumstances or occurrences beyond the control of the parties, i.e. Force Majeure.

For the purpose of this clause, Force Majeure shall mean an event beyond the control of the parties, due to or as a result of or caused by acts of God, wars, insurrections, riots, earth quake and fire, events not foreseeable but does not include any fault or negligence or carelessness on the part of the parties, resulting in such a situation.

In the event of any such intervening Force Majeure, each party shall notify the other party in writing of such circumstances and the cause thereof immediately within five calendar days. Unless otherwise directed by the other party, the party pleading Force Majeure shall continue to perform/render/discharge other obligations as far as they can reasonably be attended/fulfilled and shall seek all reasonable alternative means for performance affected by the Event of Force Majeure.

In such a case, the time for performance shall be extended by a period/s not less than the duration of such delay. If the duration of delay continues beyond a period of three months, the parties shall hold consultations with each other in an endeavor to find a solution to the problem.

Notwithstanding above, the decision of the Bank shall be final and binding on the Vendor.

9. Resolution of Disputes

The Bank and the Vendor shall make every effort to resolve amicably, by direct informal negotiation, any disagreement or dispute arising between them under or in connection with the contract. If after thirty days from the commencement of such informal negotiations, the Bank and the Vendor have been unable to resolve amicably a contract dispute; either party may require that the dispute be referred for resolution by formal arbitration.

All questions, disputes or differences arising under and out of, or in connection with the contract, shall be referred to two Arbitrators: one Arbitrator to be nominated by the Bank and the other to be nominated by the Vendor. In the case of the said Arbitrators not agreeing, then the matter will be referred to an umpire to be appointed by the Arbitrators in writing before proceeding with the reference. The award of the Arbitrators, and in the event of their not agreeing, the award of the Umpire appointed by them shall be final and binding on the parties.

The Arbitration and Reconciliation Act 1996 shall apply to the arbitration proceedings and the venue of the arbitration shall be Warangal or Hyderabad.

During the period of dispute each party shall continue its obligations under this tender.

10. Black listed / Financial disputes with APGVBANK

Vendors who are black listed by any organization or Bank or those vendors having financial disputes with APGV Bank are not eligible for participation in the tender process.
