

NIT No:APGVB / HOUSEKEEPING – AP / 2022-23 / 1

CORRIGENDUM - 2

It is notified to all the prospective bidders that with reference to NIT No. APGVB / Housekeeping – AP / 2022-23 / 1 dated 7th May 2022, Addendum dated 17th May 2022 and queries raised in the pre-bid meeting held on 20th May 2022, the following changes are being made to the tender document.

1. Solvency Certificate: It was advised, in para 5 of Annexure – A (eligibility criteria) of the NIT, to submit a solvency certificate obtained not earlier than 1st December 2021. Now that considering the concerns of the prospective bidders, it has been decided to provide an option to submit an undertaking that the bidder has a solvency of Rs.100 lakhs. However, the bidders, who have opted to furnish an undertaking in lieu of Solvency Certificate from a Scheduled Bank, on emerging as L-1 shall invariably submit a Solvency Certificate, worth INR 100 lakhs obtained from a scheduled bank on or after 31.05.2022, within 7 days from the date of receiving intimation on emerging as L-1.

2. The “DETAILS OF ALL ‘SIMILAR’ WORKS COMPLETED DURING THE LAST SEVEN YEARS”, in Annexure-4 to the NIT to be read as “**DETAILS OF ALL ‘SIMILAR’ WORKS COMPLETED DURING THE LAST FIVE YEARS**”.

3. Queries raised by the bidders:

a) If two or more bidders have submitted same Financial bid and Scored equally in Technical evaluation Matrix, what criteria will be given priority for selection of L-1?

Ans: This scenario may be hypothetical. However, on such case the tender committee will notify the criteria in best interest of the Bank.

b) If the bidder has different types of work experience at a same client, how the technical evaluation is made?

Ans: The experience in similar works will only be considered.

Note: “Similar Completed Work” shall mean successful completion of Integrated Facility Management and House Keeping Services work for Public Sector Banks, Financial Institutions, Central & State Govt. departments/ Organizations, Public Sector Undertakings etc.

4. This corrigendum shall form part of the tender document and the bidders shall sign the same and submit along with technical bid.
