<b>TENDERS FOR PROCUREMENT OF Empanelment of vendors for Procurement of UPS, INVERTERS &amp; BATTERIES THROUGH ONLINE E- PROCUREMENT &amp; REVERSE AUCTION</b>	<b>TENDER No. 02 / 28.08.2020</b>
----------------------------------------------------------------------------------------------------------------------------------------------------------------------------	---------------------------------------

**CORRIGENDUM -1**

**31.08.2020**

<b>SNo.</b>	<b>Item Details / Description</b>
1	<b>TECHNICAL BID :</b> The existing vendors should submit "Satisfactory Certificate" for the delivery of the goods and post installation services, from the Regional Offices as a part of Technical Bid. Failing to submit satisfactory certificate, the technical bid would be rejected.
2	<b>FINANCIAL BID :</b> The following are the models to quote price bid for the Batteries for Inverter. 1. Amaron - Amaron Tall Tubular Current AR150TN54 150AH 2. Exide - Exide Tube Master TMTT1500 150AH The price bids should be submitted for any one of the above two models for Annexure-N and Annexure-O.
3	<b>MODE OF SUBMISSION OF FINANCIAL BID :</b> In the tender document, it was advised to upload the scanned copies of the financial bid in the E-Procurement web portal. As there is no provision for uploading the scanned documents of the financial bid, the financial bids / price bids should be submitted online directly in the E-Procurement web portal. The vendors have to submit the financial bid online in the E-Procurement web portal by submitting/feeding the price bids for each and every item.

**ALL THE CORRIGENDA SHALL FORM PART OF THE TENDER DOCUMENT**
